Step 2 – Activate your membership with a one-time \$500 payment, which goes directly to your sponsor. That's it.

- No monthly payments.
- No renewals.
- No hidden fees – ever.

You're qualified for life to receive unlimited \$500 payments, instantly and directly to your wallet.

THE 1-UP COMP PLAN

Now let's talk about the magic behind our state-of-the-art system.

Here's how it works: You join PASH CLUB.

- Your 1st sale is passed up to your sponsor – that's your qualifying sale.
- From 2nd sale onward, you keep 100% of every sale, forever!

When your team duplicates this simple process, your income grows automatically – even while you sleep.

That means your income grows automatically, even when others do the work! Every new member you refer... and every first sale they make... sends \$500 payments directly to YOU. And you get paid instantly. No waiting.

LET'S MAKE IT REAL

UNLIMITED \$500 INSTANT PAYMENTS

You refer 10 people.

Your first sale goes to your sponsor. You keep 9.

These 9 people will earn you \$500 each. 100% Commissions

9 X \$500 = \$4,500 Instantly.

GET PAID FROM TEAM EFFORTS

Now, those 9 that you get to keep, each pass up their first sale to YOU like you passed up your 1st sale to your sponsor.

That's another \$4,500. That's \$9,000 total – from just 10 direct referrals.

And it doesn't stop there. As Your team duplicates, your income keeps growing. Every pass up sale means another \$500 straight to your crypto wallet or bank account.

UNLIMITED INSTANT \$500 PAYMENTS

From your second referral onward, you're already in pure profit. You never pay another cent out of pocket.

And every new referral means another \$500 instantly to you.

- Unlimited 100% instant commissions.
- Paid instantly & directly to you
- No waiting, no middleman, no limits.
